

Dear Guest

We would like to welcome you and your pet to the hotel. To make the most of your stay we do have a 'Petiquette' in place, so we can cater for the comfort of all guests on the premises.

In the room

Hotel Room: please do not let your dog sleep on the bed, nor jump on it as muddy paw marks and dog hair drive us barking mad. **Leaving the room:** please do not leave your dog in the room alone for long periods. ...There is more chance of them putting a paw wrong with noise, damage and safety.

Doggie Bags & Bins: Please be considerate of our other guests & pet owners. ALL dog mess must be put into doggie bags & in the designated doggie bin. The bin is located at the paddock gate (just after the lawn & before the big field) and we have provided a few doggie bags to get you started (if you forgot your supplies, the local shop stock them.)

Restaurants & Bars: Dogs are welcome in The Bell bar area. Dogs are not allowed in the inside dining areas, including The Ostlers cocktail bar & restaurant & breakfast room (with the exception of guide dogs.)

Leads: all dogs must be on a lead in public areas & around hotel premises.

The Lawn: the first lawn by the Ostlers/High House grounds is a 'doggie free zone'.

The back field just beyond that (after the paddock gate) is a roaming zone (but please pick up)

Walks & Runs: we are surrounded by plenty of fantastic places for dog walking/running with parks, woods & the seawall. Please ask at reception for more info.
